

Welcome.

Here's what comes with your membership.

Events

Book the club for sober birthdays, memorials, or similar. Subject to board approval and club availability as meeting schedules allow. A donation basket toward club expenses at your event is gratefully accepted. Arrange access with a keyholder in advance. Consider your setup and cleanup time. "Leave no trace" and take all food / drink items home with you.

Save

When you refer another for initial membership. Receive \$20 off your next membership renewal when another person becomes a first-time member and lists you as the person who referred them. Members can benefit from this perk once per renewal cycle.

Vote

Steer the club. As a voting member, and even more so if you serve on a committee or even the board, you will shape the present and future of the Dry Dock Club. In our gratitude for a warm, dry place to gather, members ensure it is the best it can be for those who still suffer, and for that we are responsible.

Swag

Custom DDC memorabilia. Wear this year's member-exclusive thank-you gift proudly to share your support with others and invite curiosity about how to be like you.

Thanks

Whether spoken or unspoken. The privilege of being able to give back is a constant source of humility and hope. When hearts are heavy, know that you are a big part of why the doors are open and the lights are on.

Spot

Get a Private shout-out on online. When you join or renew, get a personal thank-you from the Board on our Private facebook group, provided you are a member there (completely optional).
